

# MOVE AN ASTEROID 2009

International Student & Young Professional Technical Paper Competition

Administered By:  
Space Generation Advisory Council  
[www.spacegeneration.org](http://www.spacegeneration.org)

**WHAT :** Write a paper describing your innovative idea on how to move an asteroid or comet away from the earth. Papers should show originality, engineering practicality, familiarity with the technical literature and provide a clear written description of the innovation.

**HOW :**

- Write an original 3-10 page technical paper
- No more than 3 authors per entry (no multiple entries)
- All team members are under 33 years of age by 01 September 2009
- Format for the paper is IAC paper format (see web site below for more info.)
- Submit paper as PDF Document (under 5 MB) to [asteroid@spacegeneration.org](mailto:asteroid@spacegeneration.org)

**DATES :**

Submission Deadline:	26th July 2009
Winners Announced:	26th August 2009
Space Generation Congress (SGC):	8th-10th October 2009
International Astronautical Congress (IAC):	12th-16th October 2009

**AWARDS :** 1st Prize Award: Trip to Daejeon, South Korea for Paper Presentation at:

- International Astronautical Congress (IAC) 2009, Daejeon, South Korea
- Space Generation Congress (SGC) 2009, Daejeon, South Korea

Note: Award includes airfare, hotel, registration, and meals for 1 person for SGC
